A hug on a plate

FRESH HOME-COOKED FOOD

We celebrate food at Claremont Manor, with dignified, quality dining experiences for those that live here and their visiting family and friends.

As part of our 'Hug on a Plate' Hospitality Programme, you will enjoy fine dining and home cooked meals in equal measure.

All meals use fresh and locally sourced ingredients and are prepared by a team that's passionate about providing the highest quality food. Just like our care teams, our talented chefs get to know each person we care for – ensuring tantalising favourites and tasty snacks all suit individual dietary and nutritional requirements.

EXPECT SO MUCH...

more

Our **More...** lifestyle programme is a lifetime promise – to always put happiness and wellbeing at the heart of everything we do, supporting people to maintain their hobbies and interests whilst perhaps trying new ones if they wish.

With our extensive timetable of recreational activities, entertainment, outings and events often involving our local community, you can be as busy as you want to be!

Getting to know each individual from day one, we build personalised lifestyle plans together. Our lifestyle and care teams familiarise themselves with each person's likes and dislikes, along with favourite hobbies, pastimes and any appealing new activities to try out.

WAYS WE'RE CARING FOR THE MIND, BODY AND SOUL...

(and there's so much more!)

CARE AS INDIVIDUAL AS YOU ARE

We're committed to getting to know you and will tailor our care to your individual needs. By regularly reviewing your care and lifestyle plans, our team will always know your personal preferences.

CARE THAT SUPPORTS LIFE TO THE FULLEST

You'll discover peace of mind at Claremont Manor. It's found in the compassion and dedication of our team to create a home-from-home atmosphere that supports and encourages choice and independence. You'll feel it in the countless little touches that help make life that little bit easier and promote a sense of wellbeing. And it's at the heart of our commitment to tailor our care for each person's individual needs and preferences.

Residential care

Our dedicated residential care team are on hand to provide 24-hour personal care assistance, offering support, encouragement, companionship and security, all with a personal touch. We're dedicated to supporting people to enjoy as much independence as possible into later life, by providing a safe and comfortable environment to live in.

Dementia care

Our dementia pledge 'always you' promises to see beyond the diagnosis, providing quality care in a comfortable home-from-home setting. Our well-trained team is understanding and well-prepared to deal with the effects that come from living with dementia and always focus on meeting the unique needs of individuals living with the condition.

Nursing care

Providing high-quality support, our nursing care is for people living with more complex healthcare needs, or those who require the supervision of our dedicated team of registered nurses and carers. This support can include working with specialised care plans, recurrent medication regimes, providing continuous assessment and monitoring wound care.

PASSIONATE ABOUT CARE

As part of the Maria Mallaband Care Group, we strive to always offer high-quality services and improve the happiness and wellbeing of all people in our care, whilst supporting and empowering those closest to them.
