KEY INFORMATION FACT SHEET

<p>NHS Funded Nursing Care Contributions (FNC):</p>	<p>FNC payments are a contribution paid by the NHS to residents who require nursing care following an eligibility assessment. The payments are made as a contribution to the nursing care provided by registered nurses employed by the Company.</p> <p>The weekly fees we charge for nursing care set out above are inclusive of FNC contributions. If you are entitled to FNC payments, then the amount receivable will be deducted from the Total Weekly Fee and you will be charged the net balance. You will remain liable for the Total Weekly Fee if FNC payments are withdrawn/stopped.</p>
<p>Financial assessment:</p>	<p>Self – Funding residents may be asked to complete a financial assessment to show how long they will be able to fund their own care for.</p>
<p>Next of Kin or Representatives Liability Under the contract:</p>	<p>If a resident lacks mental capacity to enter into a contract and they do not have a Power of Attorney, a family member or representative may enter into the contract agreeing for us to provide care to the resident. In these circumstances the family member/representative will be required to enter into an agreement whereby they are responsible for the ongoing payment of fees.</p>
<p>Guarantor:</p>	<p>We may require a guarantor to enter into a Guarantor Agreement with us. The Guarantor will be responsible for paying the fees in the event of default by the resident. The Guarantor will remain liable to pay the fees until the contract is terminated.</p>
<p>Changes to Funding Arrangements:</p>	<p>If there is a change in how your care is funded, we may require that you pay an additional payment. For example, if you become eligible to receive state funded care (whether through your local authority or the NHS) the amount the state pays us may not be sufficient to meet our fees and either you or a family member may have to pay an additional fee/top up to meet the difference. If you or a family member is unwilling or unable to pay this additional fee/top up payment you may be required to move to a less expensive room if one is available or we may terminate your placement.</p>
<p>Fee increases:</p>	<p>We review our fees annually on 1 April. We increase our fees by 10% per annum.</p> <p>We may also increase our fees other than at the annual fee reviews if your needs change, requiring more or less care/specialist care, you stop receiving FNC contributions (and you become liable for our Total Fee), or there is some unanticipated regulatory change which increases our costs.</p> <p>We will provide you with notice before increasing your fee. If it is not accepted, we will give you the option to terminate our agreement without penalty.</p>
